

Mt. Hood Republican Women

July 2020 Updates

Mt. Hood Republican Women is continuing to inform all with the latest information we have received with our July and August Updates. Now that our Primary Election has taken place, we must try to elect every Republican on the November Ballot. Right now, we must concentrate on reopening those businesses closed by the Covid-19 Virus and the insane violence and property damage caused by the nightly “protests” (peaceful of course). Please patronize those struggling to survive, using all safety precautions, face masks and 6-foot separations, if required. In other words, just use common sense.

Our goal is to communicate, educate and promote a more Conservative Government!

The scheduled July meeting of the Executive Club has been canceled again due to Multnomah County’s meeting restrictions. We will hopefully look forward to August or September for their next meeting. With the looming November Election getting closer, we have a lot of discussions to be held and information to share with every voter. The many Cascade Policy advocates have published fact filled articles regarding the homeless measure, proposed traffic changes and freeway tolling. Watch for Eric Fruits, Rachel Dawson and Miranda Bonifield’s op-eds in your local papers as well as the Northwest Connection and Oregonian.

Birthdays to Celebrate in July

July 2, Taunji Leightner & Donna Medina

July 4, Darlene Hager & Jennifer Peake

July 26, Denise Amato and on July 29, Jeanne Boal

Mail a card, make a phone call or send an e-mail and wish them well on their special day !

Please take every opportunity to thank all our men in uniform, especially our Police, the Military and Firemen. With the abuse they have been subject to, lately, they need lots of support. Let them know how much we appreciate them all and the jobs they are called upon to do keeping us safe.

Would you like to be more involved with our Mt. Hood Republican Women? What are your interests and hobbies? Do you have some free time to work with our community service organizations? Our Executive Board would love to hear from you, share your ideas for future meetings and join in all our activities. All are welcome when the counties open up.

The previously scheduled Eighth Annual Boring and Dull Day Community Ice Cream Social in the park has been canceled but the Raffle Drawing will still take place August 9, at 7 pm at the Boring Winery & Tasting Room, Haley Road and Highway 26 Junction. There are 40 prizes available valued at over \$4000. Tickets can be obtained at many local businesses and online at www.boringoregonstore.com Please call Steve Bates for more information at 503-663-6271.

Long Time member, Celestia Bue, took a tumble and broke her pelvis. She would welcome a phone or e-mail visit from her friends with MHRW at the recovery facility 503-262-6109 or cbueor75@gmail.com. She is on the first floor so can see her family through the window. Sharon Petri is slowly regaining her strength and Colleen Lisoski is still awaiting back surgery. Please call and visit with all those still susceptible to the virus and remaining housebound.

A virtual OFRW meeting was held, Friday June 26 with NFRW Region 1 Director & Michigan past President Dr. Linda Lee Tarver as speaker. She was very inspiring, and we could all see why she was a member of President Trump's Black Voices for Trump. A fundraising idea "Klubs for Kim" was shared to aid in the election of Kim Thatcher as Oregon's next Secretary of State. As a first Zoom meeting, it was a success with many clubs participating.

Congratulations to the new Clackamas County Chair Tootie Smith who will assume office in January 2021. We look forward to working with you to make Clackamas County a great place to for our families and our businesses.

It is so sad to see the vandalizing and destruction of our National Monuments. It is apparent that our young hoodlums have not been educated regarding our history and its contribution in the foundation of our country. Listen to one of our Favorite Senators Marsha Blackburn of Tennessee discuss the monuments <https://soundcloud.com/family-research-council/marsha-blackburn> The failure of our schools is finally visible for all to see. We as parents, grandparents, aunts and uncles must fill in the blanks about the history of our country. A good helpful step in this direction would be to obtain Rush Limbaugh's 5 books written. Read them and relate to our children the lessons of history through the years past.

Meals on Wheels needs help in providing meals for Senior Citizen still unable to leave their homes safely to shop. Please send your donations to Meals on Wheels People, P.O. Box 19477. Portland, Or. 97280. Salvation Army and Sno Cap is also distributing food to families that are hungry. Any help will be welcomed to these good organizations. Mt. Hood Republican Women has sent checks totaling \$550. to Sno Cap and Meals on Wheels. There is still a great need.
