

Rep. Greg Barreto's Newsletter *Disarmament Legislation*

March 11, 2019

Dear Friends,

Thank you for your interest and concerns regarding legislative overreach by the majority party and our Constitutional Second Amendment Rights. I believe the appropriate term for this legislation is:

DISARMAMENT | definition in the Cambridge English Dictionary

disarmament meaning: 1. the act of taking away or giving up weapons

Without our 2nd Amendment rights we will lose our 1st Amendment rights, freedom of speech. This cannot be allowed.

I will continue to be a staunch defender of the rights of the residents of my District and all Oregon. **Your** assistance is needed and your voice on these critical matters. Below is a list of firearm legislation with links to the bill from the Oregon Firearm Federation
<https://www.oregonfirearms.org/>

Please contact the individuals who sponsor the legislation and share your concerns and/or support. as some of the legislation is positive. Links are embedded within the names of

the Sponsor Members within the links below.

Together we must fight this! Thank you again for your correspondence on these important issues and I appreciate your advocacy.
