WELCOME BACK

Oregon Legislative Session
2019

We are off and running representing you and at the state Capital for the 2019 legislative session! Thank you for the opportunity to serve you for another term. I believe I am currently the longest serving Republican women in the legislature in Oregon history, I am humbled and thankful for the many years of public service. I am looking forward to what this session will hold and all the work we will be doing here in S301.

Team Winters has had some change since the end of 2018, after stepping down as Senate Republican leader I have moved back into our previous office, hired some new faces, and am excited about my committees for this session. This session I will continue to serve on Ways & Means, Co-Vice Chair of the full joint committee and Co-Chair of public safety committee of Ways & Means. I am excited about the upcoming robust conversations with my fellow members on the committees.

Team Winters: (Left to right) Raquel, Pam, Senator Winters and Reilly

As this session continues to progress, I think it is very important that Oregonians know how to stay involved and up to date on what is happening here in the building. I know not everyone can take time away from work and family to spend days at the Capital to follow topics that are important to them. I would like to give you some information on a very useful tool called OLIS.

OLIS can be used to follow bills, learn about committees, follow their agenda and find when, where and what bills will be discussed in the building each day. This helps make it possible for everyone to stay educated and involved. Citizens can also submit testimony regarding a bill to a committee to allow your voice to be heard. Please visit www.oregonlegislature.gov in the citizen engagement tab to find out more and becoming engaged on this 2019 session!

We look forward to working together for our great state!
Sincerely,
